Subject: DOT Docket No. NHTSA-2004-17359; - 2
Comments on published preliminary 2002 theft data

General Motors Corporation has reviewed the preliminary theft, production, and theft rate information published in the April 6, 2004 Federal Register, and has identified the following items which require correction:

1. The PONTIAC GRAND AM is incorrectly listed as the "GRANT AM".
2. The CHEVROLET CAVALIER is listed with 2002 volume of 259,230; the correct volume is 262,251.
3. The CHEVROLET ASTRO VAN is listed with production volume of 39,246; the correct volume is 38,963.
4. The GMC SAFARI VAN is incorrectly listed as the "SAFARA VAN".
5. The BUICK RENDEZVOUS is listed with a production volume of 7,573; the correct volume is 77,573.
6. The SATURN VUE is incorrectly listed with a volume of 34,578; the correct volume is 35,178.
7. The GENERAL MOTORS FUNERAL COACH/HEARSE is incorrectly listed with a volume of 1,907; the correct volume is 1,032.

If additional information regarding items addressed herein is desired, please contact David Proefke of our Warren, Michigan office at (586) 986-9398, or Steve Gehring of our Washington, DC office at (202) 775-5071.

Sincerely,

Louis J. Carlin, Director
Safety Regulations and
Consumer Information
